

Kern Regional Center Foundation 6th Annual Golf Tournament

*Friday, April 29th, 2011
at the Stockdale Country Club*

The Kern Regional Center Foundation works to support people with developmental disabilities in our community. This year the proceeds from the tournament will be shared between two projects that the foundation has supported: Kern Regional Center All Star Café and Kern Assistive Technology Center.

The Café is a self-employment training opportunity that assists people with developmental disabilities to learn the skills necessary to operate their own business.

Kern Assistive Technology Center provides people with disabilities access to technology to be more independent at home, school, work, and in the community.

We are requesting your support for the Tournament through direct sponsorship or donation of a wide screen television set, tools, iPad, gift certificate or other products or services to be used in our drawing or silent auction. Here's how you can help:

- **\$5,000 Tournament Sponsor:** Four Golfers, and sponsor receives recognition on all literature, tee-sign, and dinner table sign.
- **\$2,500 Eagle Sponsor:** Four Golfers, company logo on gift given to all golfers, tee-sign, full page in program, and a dinner table sign.
